3D ADJUSTABLE PADDED ARMREST

Benefits

SurgiMove is perfectly suited for a wide range of surgical applications. Its advanced design offers, in addition to an outstanding ergonomic seat, multiple positions including optional 360-degree adjustable armrests.

This armchair:

- Easy to use pedals, fully adjustable backrest and armrests;
- Central braking system effective on two wheels;
- Excellent manoeuvring thanks to dual-edged wheels;
- Ample legroom thanks to frame design;
- Comfortable height adjustment by foot control.

Type of armrests

2D armrests are available in presence of a fixed seating angle and also with an adjustable seating angle. **3D, 4D** and **foldable armrests** are available only in presence of an adjustable seating angle.
